Day of Caring is our largest, one-day community-wide volunteer event promoting and celebrating the spirit and value of volunteering, increasing awareness of our local community needs and collaborating efforts of impact through corporate groups and individuals.

In celebration of United Way's 60th Anniversary serving the Southern Nevada community, **\$60,000 will be distributed** evenly to all of the 60 participating agencies and schools to be used for their projects.

Don't miss the opportunity to participate in the most anticipated United Way signature event of the year and connect with others who share your passion to impact the community.
